

Textiles Committee is involved in Cluster Developmental Programme and various Developmental activities. Under this programme last year in the month of February we have arranged an **awareness programme on Textile Design / Colour Forecasting and Product Development.**

The senior design expert **Mrs. Hetty Oom from PUM, The Netherlands** came and conducted the programme for the batches with a duration of 4 days for each batch. Since this programme was very well received by the Trade and Industry and also received a strong feed back a repeat programme will help the Industry so that more number of people will attend and can gain the knowledge on this subject.

Owing to the interest shown from the Trade and Industry, Textiles Committee is making arrangements to conduct the programme during second week of February, 2007. The PUM, Netherlands has agreed to send their senior expert to India during that period for two weeks time to help the Industry.

Therefore, it is proposed to charge Rs.2,800/- per head which includes 4 days hall charge, tea ,coffee and lunch during the programme. On the concluding day that is on 23/02/07 a programme on **Visual Merchandising** will be conducted for both batches.

Since it is proposed to have maximum of 25 people in each batch, you are requested to inform your members so that they can enroll themselves at the earlier. The venue and exact dates are given below.

Batch-1	13.02.2007 to 16.02.2007- 4 days	Time -10.00 to 18.00Hrs
Batch II	19.02.2007 to 22.02.2007- 4 days	Lunch Break -13.30 to 14.30Hrs
Visual Merchandising on 23.02.2007		14.30 hrs to 19.00 hrs
Venue: Hotel Hemala, Karur
